FORWARD

In presenting the Genalogical record of the progeny of the family of John Stutznegger, we trust family members become better acquainted and known to each other.

All look to John Stutznegger Sr. as a father, as a grandfather, a great grandfather, etc., to the latest herein listed. With time given, this family is growing larger.

John Stutznegger, of medium height, yet of firm build, is known to have been a hard worker, diligent in his efforts for improvement. As he was the first convert to the Church of Jesus Christ of Latter-Day Saints in this family, he is the heir in this great Genealogical Record of his ancestry. He was true to the trust given him in all capacities. He was kind and considerate, yet firm, nothing wavering.

To him and his faithful wife and companion, we are ever grateful for the genes passed on down to us. Through their good clean living and healthful habits we inherit strong, healthy bodies, capable minds, and good intellect.

Should he be privileged to look down through the stream of time, he would undoubtedly note, we hope with joy, the choice persons that go to make membership in this large family.

To those who have so graciously and so faithfully helped in gathering needed information, we say, many, many thanks for their contributions and much needed help.

Barring errors that may have crept into this work, we trust all will accept with joy and real satisfaction, this family record book.
